

# La Bohème Galley

## Galley

The galley features gas stove and oven and can easily cater for 16 guests. There is a dual-fuel refrigerator and stainless steel sink and worktop. Unlike many galleys, this one is open with easy access, and enormous storage. Another feature is the large serving hatch that facilitates as storage for serving. When lit with small brass oil lamps, the atmosphere never fails to please.

1. Open layout and easy access to the deck, for on-deck summer dinners. Note: two gas shutoffs - stove and fridge.

2. Plenty of room for the team to work together

3. This is called lifestyle. The table can squeeze in 20, but 12-16 is more comfortable.

4. Whole lotta Swedish lobsters going down there.
