### Media

La Bohème has featured in books, newspapers, magazines and event programs. She has also starred in her own television program. Alas, all in Swedish. Several artists have rendered her image in watercolours and oils. The many published articles are included in her records. Here is a selection of media images.

1. Front cover of book on Sweden's most famous classic vessels. She is in two such books.

2. Print #97 of 110 limited edition watercolour by Swedish artist Mats Aronsson 1996.

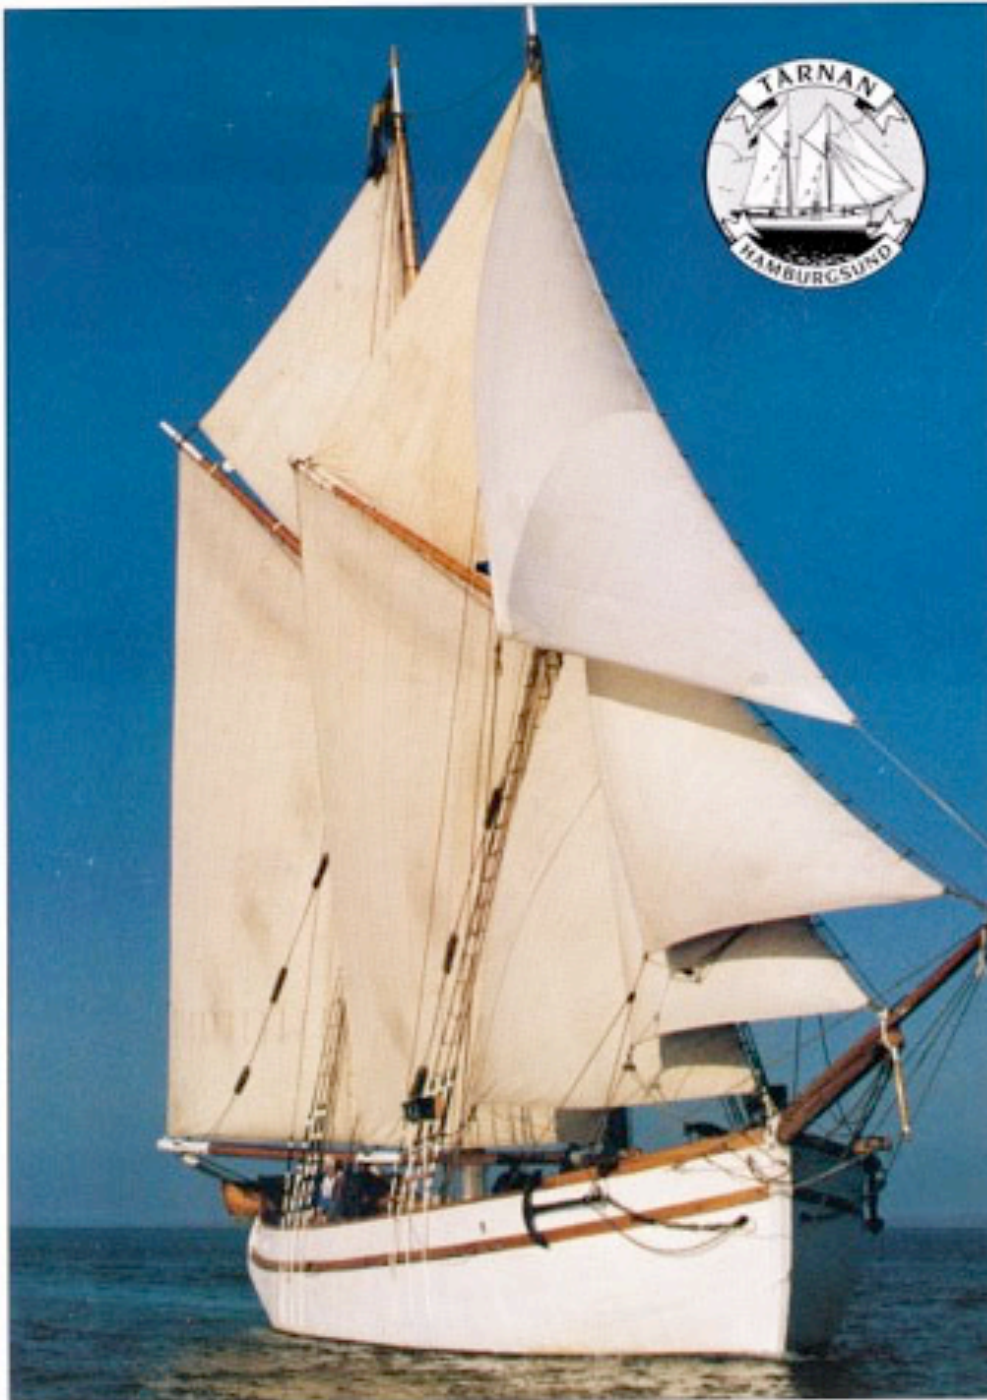

3. Oil painting by Swedish artist (not known), original held in Gothenburg City Hall (*Börshuset, Göteborg*)

4. She has been used for charter, sail training & as a floating stage by a jazz group touring remote seaside towns.

TÄRNAN är en två-mastad slätskonare på 100 dwt. Längd 22 m, bredd 6 m och en segelyta på 300 m<sup>2</sup>. Fartyget byggdes 1913 på Sternö Skeppsvarv i Karlshamn, i ek och furu på kravell som skonert. Beställare var ett partsrederi (p.r.) i Karlshamn med Frans Ferdinand Holm som redare. TÄRNAN byggdes för stenblocksfrakt till Tyskland, därav det kraftiga skrovet.
